## VETERAN BIKERS MC - SALUTE

As a way of acknowledging other members of Veteran Bikers MC and showing our Honor and Respect for OUR CLUB and OUR CLUB COLORS we have our own salute. We call it the '**CLINCHED FIST OF STRENGTH AND SOLIDARITY**' or '**CFSS**'.

When recognizing and acknowledging our Club, our Club Colors and / or other Veteran Bikers MC members we make a clinched fist of our right hand while bringing it across our chest to tap the VB/Flag patch on the front left shoulder area of our vest or jacket. If the Club, Club Colors or other member(s) are at a distance from us (more than 10 or 15 feet away) we then extend the fist above shoulder level and in the direction of the Club, Club Colors or other recognized VBMC member(s).

**This salute is specific to VBMC members and serves ONLY as a way of demonstrating our strength and solidarity as a Club. Likewise this salute sets us apart from other motorcycle clubs while at the same time showing respect to our own.**

GOD BLESS AMERICA !

WE RIDE WITH HONOR !
